

# Task 1

Niah Cave, Borneo

Q1: Can you find the following things in this macroscopic view of a "mammoth" thin section?

- a rock fragment or sand grain
- charcoal
- a shell
- bone
- clay
- iron oxide
- empty space (air)

Use the Jamboard tool (e.g. pen tool and sticky notes to identify)

Q2:  
Consider what archaeological interpretation(s) can be made from this image.
